NYF 2018 CHEER TRYOUT RESULTS

We will be sending our information shortly with more information about practices and if we elect to do a camp again this year. Information will be sent out about parent meetings and uniform fitting dates.

For those of you that have not paid the \$200 registration fee, if you log back into TSHQ, you will now see that balance posted. In order to avoid the late fee on June 15th, you must at least make a partial payment on your account BEFORE the end of day on the 15th.

You will have until FRIDAY, JUNE 22ND end of day (11:59 PM) to make your payment, If you do not pay in full by this time, we WILL NOT ORDER A UNIFORM FOR YOUR DAUGHTER TO PARTICIPATE.

Also, we are looking for Parent Cheer Advisors. If you are interested, please complete this application and email us at nortonyouthfootball@gmail.com

Advisor Volunteer Job Description: Each cheer squad will have one advisor. The advisor's primary responsibilities are: communication with parents on practice times, game times and any other event times and places. She is responsible for overseeing her squad and taught material at all practices, games and special events. This individual is also responsible for making sure her squad is in compliance with the NYFA by-laws and code of conduct at all times. The advisor is responsible for informing the director of any infractions. The director & advisor will make the parents aware of issued demerits. The advisor is responsible for issuing demerits as well as keeping record of the demerit system for her squad.

Thank you very much! We are looking forward to a fantastic year!!

Thank you,
NYF Board
